

# THANK YOU!

The third annual Payson Book Festival, held on July 22, 2017, in the ballroom of Mazatzal Hotel & Casino was a big success, attracting an estimated 700 people. This free community literacy project was presented by the Rim Country Chapter of Arizona Professional Writers in partnership with Majestic Rim Retirement Living and Arizona Humanities, which provided partial funding.

**THANK YOU!** Our small planning committee could not have presented this vital literacy link to Rim Country without the support of the authors, business community, sponsors, grants, supporters, organizations and volunteers.

## **SPONSORS**
